As noted in the Bureau of Student Support FY'20 Memo #29, the definition of parent (see page 38 of the Guide) has been amended to read as shown below.

Ed 1102.04(h) "Parent" means a biological or adoptive parent, surrogate parent, or a guardian pursuant to 34 CFR 300.30. Parent does not mean the state when the state has legal guardianship.

§300.30 Parent.

(a) Parent means--

- (1) A biological or adoptive parent of a child;
- (2) A foster parent, unless State law, regulations, or contractual obligations with a State or local entity prohibit a foster parent from acting as a parent;
- (3) A guardian generally authorized to act as the child's parent, or authorized to make educational decisions for the child (but not the State if the child is a ward of the State);
- (4) An individual acting in the place of a biological or adoptive parent (including a grandparent, stepparent, or other relative) with whom the child lives, or an individual who is legally responsible for the child's welfare; or
- (5) A surrogate parent who has been appointed in accordance with §300.519 or section 639(a)(5) of the Act.

(b) (1) Except as provided in paragraph (b)(2) of this section, the biological or adoptive parent, when attempting to act as the parent under this part and when more than one party is qualified under paragraph (a) of this section to act as a parent, must be presumed to be the parent for purposes of this section unless the biological or adoptive parent does not have legal authority to make educational decisions for the child.

(2) If a judicial decree or order identifies a specific person or persons under paragraphs (a)(1) through (4) of this section to act as the "parent" of a child or to make educational decisions on behalf of a child, then such person or persons shall be determined to be the "parent" for purposes of this section.

(3) The right to have a representative of the parent inspect and review the records.

(c) An agency may presume that the parent has authority to inspect and review records relating to his or her child unless the agency has been advised that the parent does not have the authority under applicable State law governing such matters as guardianship, separation, and divorce.

§300.618 Amendment of records at parent's request.

(a) A parent who believes that information in the education records collected, maintained, or used under this part is inaccurate or misleading or violates the privacy or other rights of the child may request the participating agency that maintains the information to amend the information.

§300.619 Opportunity for a hearing. The agency must, on request, provide an opportunity for a hearing to challenge information in education records to ensure that it is not inaccurate, misleading, or otherwise in violation of the privacy or other rights of the child.

§300.620 Result of hearing.

(a) If, as a result of the hearing, the agency decides that the information is inaccurate, misleading or otherwise in violation of the privacy or other rights of the child, it must amend the information accordingly and so inform the parent in writing.

(b) If, as a result of the hearing, the agency decides that the information is not inaccurate, misleading, or otherwise in violation of the privacy or other rights of the child, it must inform the parent of the parent's right to place in the records the agency maintains on the child a statement commenting on the information or setting forth any reasons for disagreeing with the decision of the agency.

(c) Any explanation placed in the records of the child under this section must—

(1) Be maintained by the agency as part of the records of the child as long as the record or contested portion is maintained by the agency; and

(b)(1) Except as provided in paragraphs (b)(2) and (b)(3) of this section, parental consent is not required before personally identifiable information is released to officials of participating agencies for purposes of meeting a requirement of this part.

(2) Parental consent, or the consent of an eligible child who has reached the age of majority under State law, must be obtained before personally identifiable information is released to officials of participating agencies providing or paying for transition services in accordance with §300.321(b)(3).

§300.625 Children's rights.

(a) The SEA must have in effect policies and procedures regarding the extent to which children are afforded rights of privacy similar to those afforded to parents, taking into consideration the age of the child and type or severity of disability.

(b) Under the regulations for FERPA in 34 CFR 99.5(a), the rights of parents regarding education records are transferred to the student at age 18.

(c) If the rights accorded to parents under Part B of the Act are transferred to a student who reaches the age of majority, consistent with §300.520, the rights regarding educational records in §§300.613 through 300.624 must also be transferred to the student. However, the public agency must provide any notice required under section 615 of the Act to the student and the parents.
